paint ings there are sculp - tures thereare an - i - ma - tion rides_ if we

47

see the world as art - ists_ ever y co - lor ever - y hue wemay

51

glimpse the depth of liv - ing we weresure - ly meant to view Teachus to paint the pic

56

- tures teach us to draw withgrace teach us to see_ more clear

60

- ly_ the ex - press ions on_ each face teach us to know the won

64

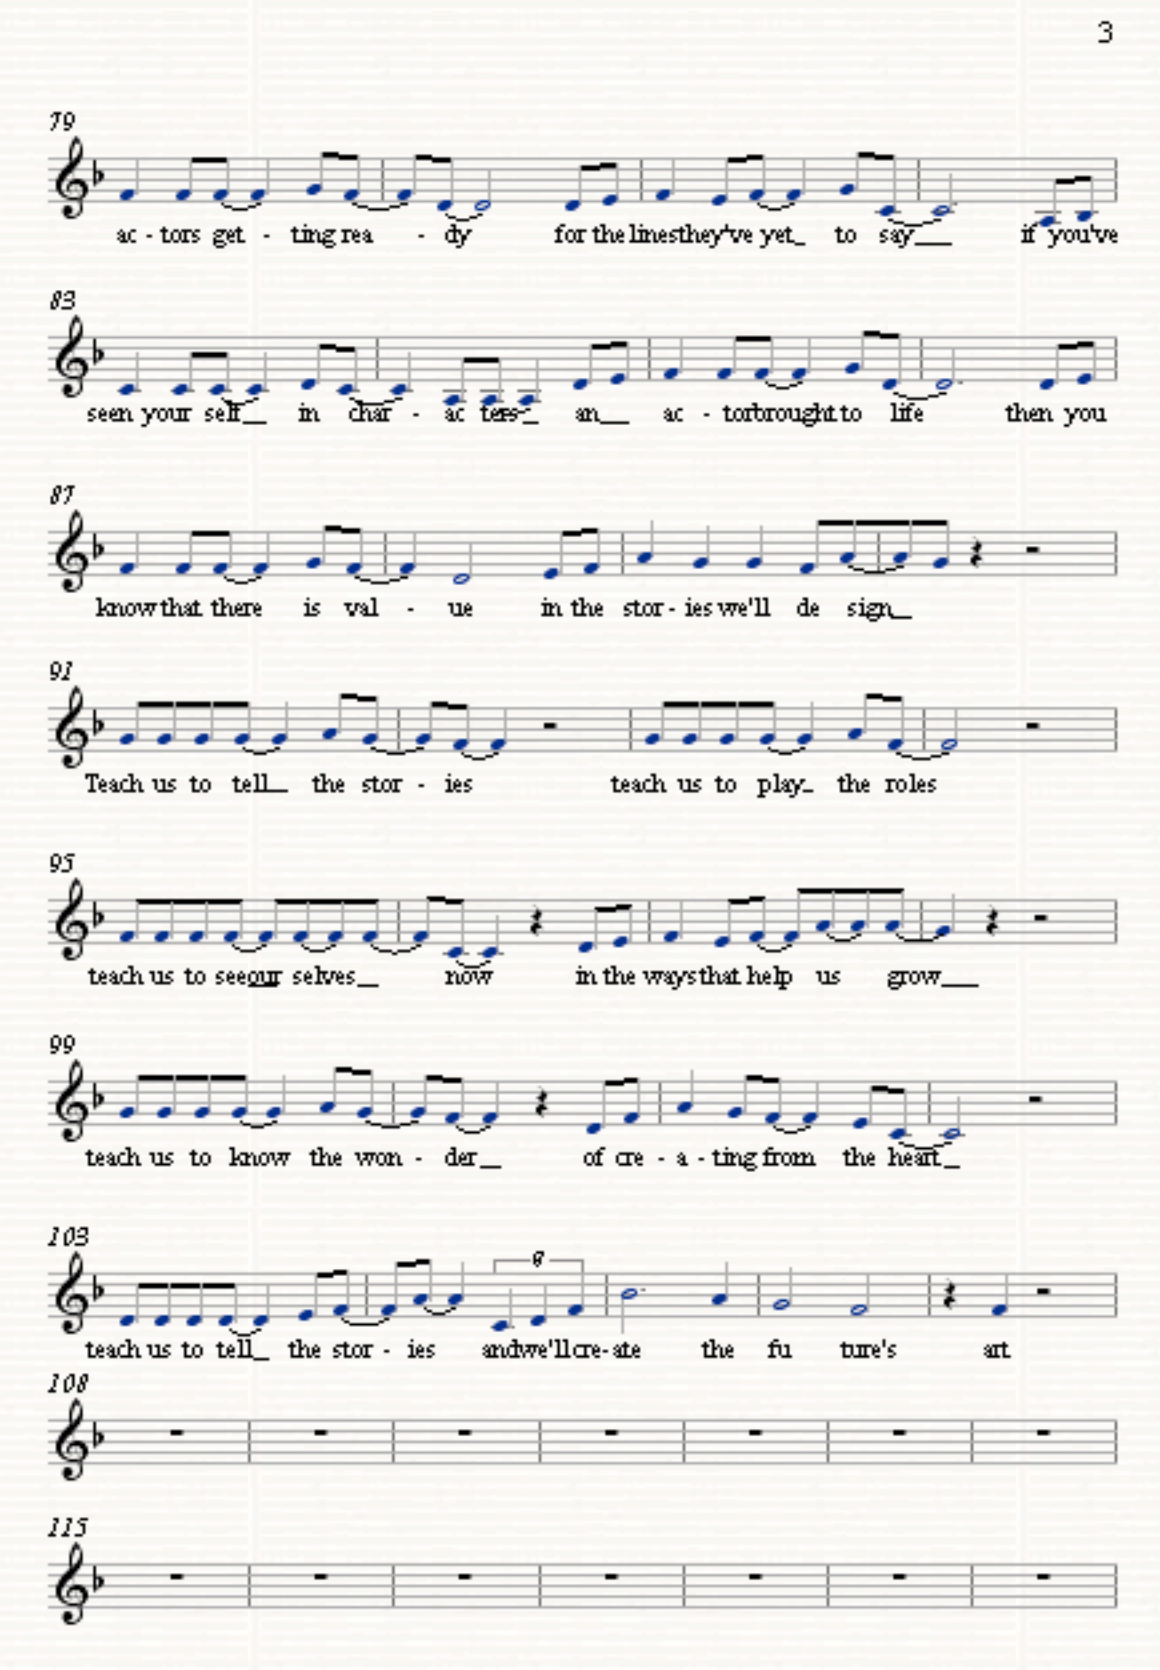
- der_ of cre - a - ting from the heart_ teach us to paint the pic

68

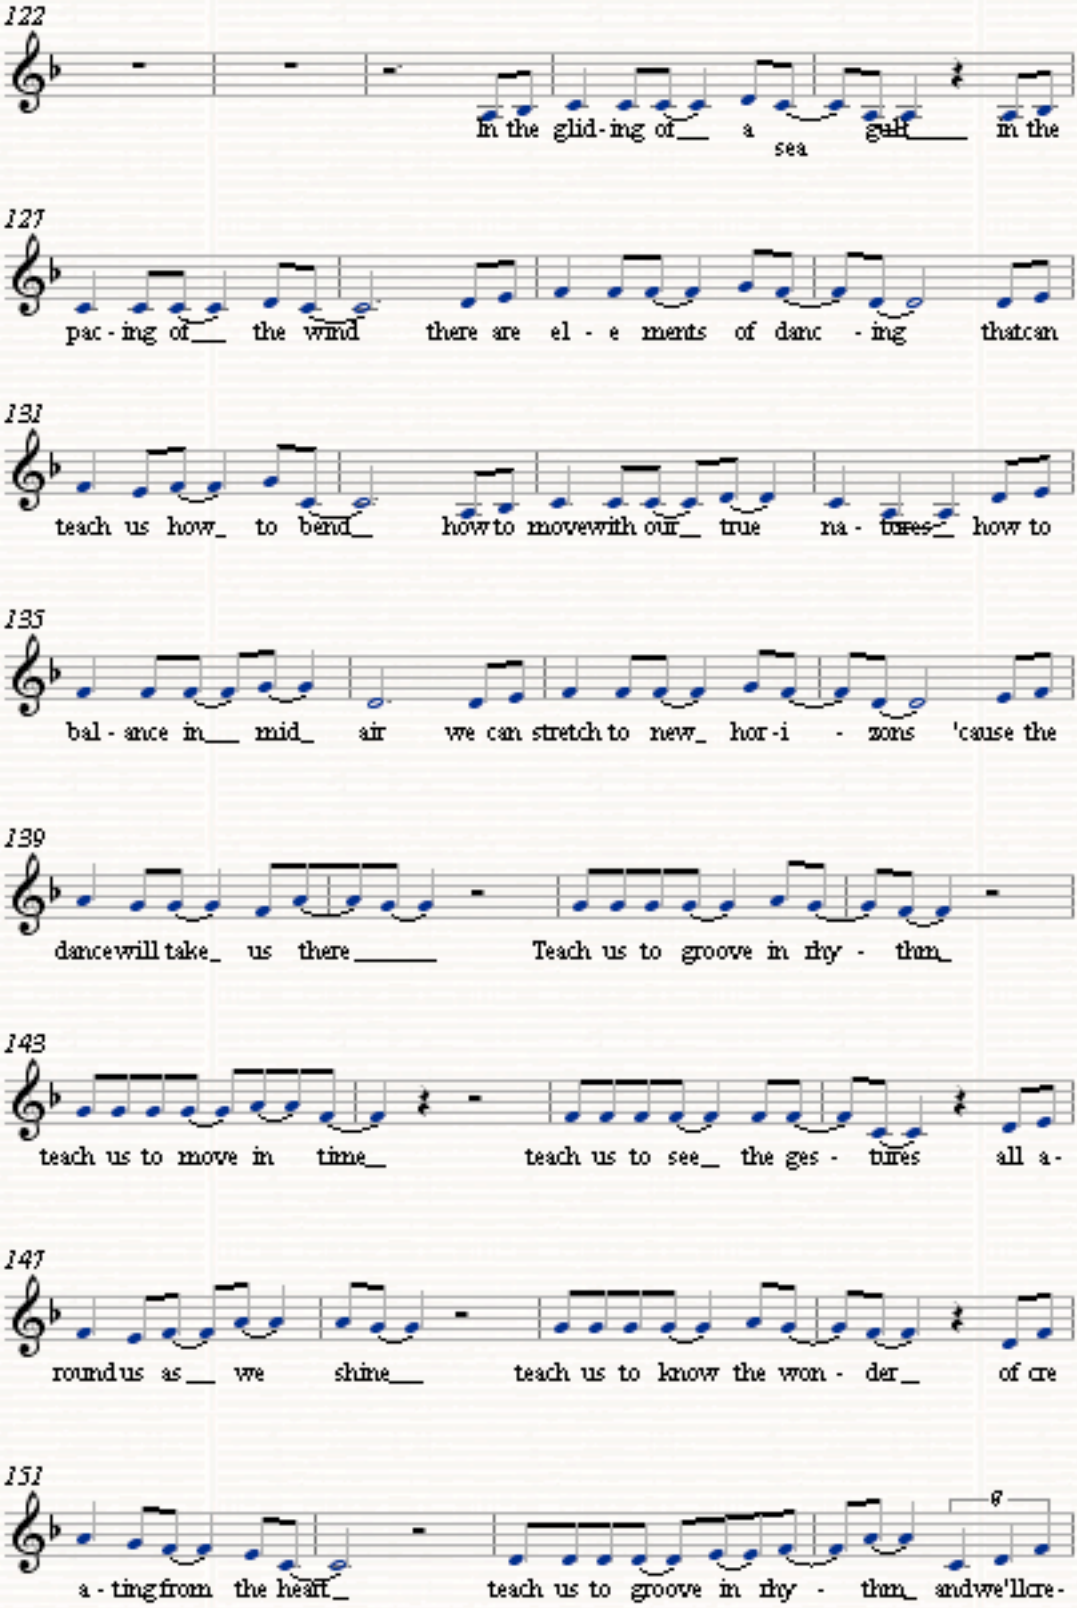
- tures andwe'llcre - ate the fu ture's art

74

Inthe pag - es of_ our histor - ies_ onthe stag - es of_ Broad - way there are



79
ac - tors get - ting rea - dy for the lines they've yet to say if you've
83
seen your self in char - ac ters an ac - tor brought to life then you
87
know that there is val - ue in the stor - ies we'll de sign
91
Teach us to tell the stor - ies teach us to play the roles
95
teach us to see our selves now in the ways that help us grow
99
teach us to know the won - der of cre - a - ting from the heart
103
teach us to tell the stor - ies and we'll cre - ate the fu ture's art
108
115



122
In the glid - ing of a sea gull in the
127
pac - ing of the wind there are el - e ments of danc - ing thatcan
131
teach us how to bend how to movewith our true na - tures how to
135
bal - ance in mid air we can stretch to new hor - i - zons 'cause the
139
dancewill take us there Teach us to groove in rhy - thm
143
teach us to move in time teach us to see the ges - tures all a -
147
roundus as we shine teach us to know the won - der of cre
151
a - tingfrom the heart teach us to groove in rhy - thm andwe'llcre -

155

ate the fu ture teachus to tell_ the stor - ies_ teach us to write the songs

160

_ teach us to paint the pic - tures teach us to dance a

164

long___ teach us to know the won - der_ of cre - a - ting from the heart

168

teachus to lis - ten close - ley

174

teachus to see_ more clear - ly teachus to tell_ the stor - ies___
